

Optional Extras

As well as party bags we also offer the following: 1 or 2 hour parties including balloon modelling, magic show, mini disco with games including pass the parcel and corners games. All our games are "non-elimination" games so there are no periods of children having to sit out and wait, and we provide all the prizes. In addition each child goes home with a balloon model, a times tables card and a puzzle page. Please do call us for more information. 30 minutes of Balloon modelling and each Child goes home with at least one balloon model, plus an extra special modelling for the Birthday Child. A tube of 100 glow sticks. These are good quality, long lasting glow sticks, (not the ones that have a tendency to snap, break and leak). Our glow sticks are supplied with 100 connectors to make bracelets or necklaces if you wish. Packs of party prizes - If you would like party prizes or giveaways for fetes etc, we offer any size packs of prize items starting at just 10p each. Please do give us a call to discuss your requirements.
